

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

The loosening of these rules is due to lobbying by the media moguls and detracts from diversity. The liberal bias of the media is a media ploy. There is truly a highly conservative bias and it will only get worse if a few people are allowed to run all the media.
